

Railway Transport

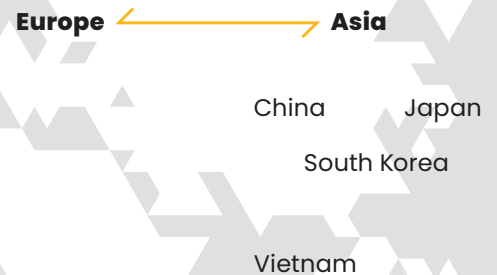

When you are thinking ecologically

JUSDA Europe is a leading logistics company with more than 20 years of experience in international shipping and warehousing. It is part of the multinational Hon Hai Technology Group.

Regular rail lines: Europe–Asia / Asia–Europe

We provide rail transport from Asia and throughout Europe.

Rail transport is 70% greener than air transport and twice as fast as sea transport.

We provide:

Terminal-to-terminal, Terminal-to-door
Combined road and rail transport of batteries from Asia to Europe
End-2-End solution (we optimise the entire transport process)
Tailor made solution (tailor-made solutions based on customer requirements)

Additional services:

Customs services, Insurance, GPS service
Import & export, domestic distribution
Shipment consolidation / deconsolidation
Cross Trade
Shipment packaging and labelling
Consulting services
Assistance with the necessary documents (including certifications)

Our services:

FCL / LCL transport
Block train
Custom consolidated container from Asia
Door-to-door delivery between Asia and Europe in 21 days
Direct cooperation with railway operators with a capacity of up to 50 trains a week
Transportation of goods within Asia (China, Vietnam, South Korea, Japan)
Transport of goods within the CIS (Uzbekistan, Kazakhstan, Mongolia, Kyrgyzstan)
We offer an alternative route outside Russia and Belarus

JUSDA Europe is **ISO 9001, ISO 14001, ISO 45001** and **TAPA A** certified.
