

Your Own Consolidated Box

LCL Railway Transport

JUSDA Europe is a leading logistics company with more than 20 years of experience in international shipping and warehousing. It is part of the multinational Hon Hai Technology Group.

Europe ← | China

Line with regular departure **once a week: Xi'an, CN-EU**

A unique solution in the form of a consolidated rail box directly from Asia. The offered product represents an ideal balance between price and speed of delivery, while promoting environmental sustainability.

We provide:

- Picking up the parcel from the consignor
- Documentation and customs clearance
- Palletization and labelling
- Transport to the Czech Republic in a consolidated box
- Continuous shipment monitoring

Delivery within 25 days after the container leaves the departure terminal in China

Your own customs warehouse

Additional services:

- Additional shipment insurance
- Assistance with the certification process
- Direct communication with the consignor thanks to branches in China

JUSDA Europe is **ISO 9001, ISO 14001, ISO 45001** and **TAPA A** certified.

By using our railway transport, you will achieve a significant environmental friendliness, which is about **70%** lower compared to air transport. We also ensure twice as fast delivery than with maritime transport. We provide an efficient and responsible way to cover distances and deliver goods to your market.
